##- Please type your reply above this line -##

Your report (#9351731) has been received. Note -- When responding please make sure to keep #9351731 in the subject line.

Thank you for your report.

Cloudflare offers network service solutions including pass-through security services, a content distribution network (CDN) and registrar services. Due to the pass-through nature of our services, our IP addresses appear in WHOIS and DNS records for websites using Cloudflare. Cloudflare is not a website hosting provider, and we cannot remove material from the Internet that is hosted by others.

To ensure the prompt processing of your abuse report we request that you please submit your abuse report through Cloudflare's abuse reporting web form at:

<https://www.cloudflare.com/abuse/>

Regards,
Cloudflare Trust & Safety
